**MAKING INNOVATION CENTRAL
TO RHODE ISLAND'S FUTURE**

**Second Annual Rhode Island Research Alliance
Symposium Presented by the Rhode Island Science &
Technology Advisory Council in cooperation with the
COBRE, INBRE, CTSA and EPSCoR statewide network**

Mark your calendars now for this free, one-day networking forum showcasing research currently being conducted in Rhode Island.

Local investigators from each of the COBRE, INBRE and EPSCoR programs will be joined on the podium and at the poster session by our speakers, Robert K. Moyzis, Ph.D. from the University of California, Irvine and Lt. Governor Elizabeth Roberts.
